

A tip from Vic

The map shows a trail at the bottom of this arroyo, then 19.795 km to town or 12.3 miles. I can walk 3 miles an hour so I will arrive in 4 hours twenty minutes. The bomb will go off at noon. It is now 7:30, 5 minutes down to the trail, so I'll have 5 minutes to defuse it. *Maybe I should run a bit!*
